REPORT

To: CNS Council file # 1600
From: Bill Garland <garlandw@mcmaster.ca>
Subject: Update on the Universities Committee
Date: October 3, 1998

The following summarizes the status of standing committee actions and activities:

- ! **Annual Student Conference:** Hugues Bonin reported that the 1997 conference held at the University of New Brunswick was a success. It is hoped that the 1998 conference will be held at Royal Military College and that the 1999 conference will be held at Trent University. Both venues are to be confirmed.
- ! **Reference Lists:** A list of reference books and reference material on CANDU should be maintained. The current plan is to solicit suggestions via the CNS list server and to post the results on the CNS web page. On hold pending time to pursue.
- ! **Sharing of Course Material:** The AECL - Thailand initiative remains a good vehicle to facilitate course sharing. George Bereznai in Thailand is in the process of assembling some 30 courses in the web based HTML format. I am working with George on pedagogical issues.
- ! **CANDU textbook:** A good textbook on CANDU is still sorely needed. No action. One day...
- ! **Annual CNS Conference Education Session:** It is planned to hold an education session at the upcoming annual conference. No details are yet available.
