

**ENGINEERING PHYSICS 4D3/6D3**

DAY CLASS

Dr. Wm. Garland

DURATION: 20 minutes

McMASTER UNIVERSITY

QUIZ #1

October 13, 1998

---

**Special Instructions:** Open Book. All calculators and reference material permitted.

**THIS EXAMINATION PAPER INCLUDES 1 PAGE AND 1 QUESTION.**

---

1. Summarize the course so far. Use diagrams, text, equations as you feel necessary. What are the **main ideas** and how do they **relate** to each other? A picture is worth 1000 words. Keep your answer to one page, two at most.

[See the solution to Quiz 1994 for one possible answer]
